

Williston Community Redevelopment Agency

Is pleased to announce plans for a

Veteran's Memorial in Heritage Park

The preliminary design of this monument will recognize all branches of the military and is intended to pay tribute to those who have served our country in the armed forces. It will support a flag pole that will be lighted and the hardscape surrounding the monument will have paving brick walkways and seating areas.

Early estimates of the cost of this project are over \$20,000.

We are pleased to offer the opportunity to families and individuals to purchase engraved bricks to honor a family member, friend, relative, or hero who has honorably served. The net proceeds from the sale of personalized bricks will help fund the construction of the Memorial.

Bricks can be purchased at \$50.00 each.

Any donation is appreciated, but those of \$200 or more will be specifically recognized.

Please fill in the lines below how you want your honored veteran's brick to be viewed.

Please make checks payable to: Veteran's Memorial
